Waiver and Program Participation:

The undersigned hereby agrees to defend, indemnify and hold harmless One Spark Academy, the Thousand Oaks Teen Center, and the Conejo Recreation & Park District and its officers, employees, vendors, and agents against any and all loss, liability charges, expenses (including attorney's fees) and costs of whatsoever character which may arise by reason of participation in any program, and/or any injuries which are in any way the result of negligence or misconduct on behalf of the participant. As parent/guardian, I hereby consent to emergency treatment of my minor child as a result of accident or injury. I further agree to pay and all costs incurred as a result of said treatment. I understand that I may inspect the facilities provided and determine they are reasonably safe for their intended purposes and, whether or not having conducted my own inspection, I agree to expressly assume the risk of participation at the premises. **Signature required to process registration.**

IMMUNIZATION REQUIREMENTS

One Spark Academy follows guidelines for CA schools, as recommended by the CDC, the American Academy of Pediatrics, and the Ventura County Health Care Agency. California Department of Public Health immunization requirements are as follows:

- Diphtheria, Tetanus, Pertussis- 3-4 doses; 1 dose required again at 7th grade
- Polio- 4 doses
- Measles, Mumps, Rubella- 1 dose prior to 7th, and 1 dose at 7th
- Varicella (chickenpox)- 2 doses needed by 13-17 yrs
- Hepatitis B- age 4-6 yrs, kindergarten and above, 3 doses

Please note dates of immunizations and attach a photocopy of immunization record with registration. *

The following information is kept **confidential and separated from other registration paperwork**. Staff will only access it in the rare occurrence of an outbreak, as determined by VCHCA. In that case, only students without the applicable immunization will be impacted. The recommendation may be for unvaccinated students to be excluded from classes or activities for a set period of time. There are no refunds for the loss of class time.

A limited number of medical exemptions or doctor-signed PBEs are allowable, **but must be approved in advance of registration to maintain a high immunity percentage. If you have already submitted a request for this exemption (verification of exemption required), please note "EXEMPT" in the appropriate box.*

*Complete immunization records will be kept on file, thus do not need to be completed annually if students maintain their attendance at OSA and there are no updates. Please resubmit when updated .

Child's Name First: _____ Last: _____

- For each time block and day, indicate the course name. If your student is not attending a class at a particular time, please write in **"NONE"** to confirm that your child will not be on site during that time. **Parents please note:** your student **cannot be on site 8:30-2:00 if not enrolled in an OSA class.** If an afternoon class is not taken after lunch, students should wait in the lobby or other designated area until the center opens to the 7th-12th grade public at 2:00.
- Indicate any Teen Center courses taken this session. These are paid for separately through the CRPD.

Flex Plan

- **Flex Plan:** M-TH, 8:30-2:30, and Friday 8:30-12:30; mix and match core and study sessions (space permitting), including lunch option. Attendance all five days is not required for the Flex Plan.
 - **\$7,200** base cost full year (no including lab fees, CRPD courses, or extra activities)
 - **Session 1: \$1650, 7 weeks**
 - **Session 2: \$1800, 8 weeks**
 - **Session 3: \$1950, 9 weeks**
 - **Session 4: \$1800, 8 weeks**
- Please note: Our Flex Plan is significantly discounted from what a full list of individually priced courses could cost (approximately \$9,800 per full time student). We rely on tax-deductible donations to offset this difference. If you have the means to contribute, please do. *

Individual Course Selection. Indicate separate fees only if a **Flex Plan** is not selected.

PLEASE MAKE A COPY OF THIS FORM BEFORE SENDING IT IN. INDIVIDUAL COURSE SCHEDULES ARE NOT PROVIDED.
There is no reason to submit this form if courses were verified via email.

Important Information for Parents

Please retain pages 4 and 5, as you may need to refer to them.

Thank you in advance for your cooperation and understanding regarding our procedures. We value our commitment to your child's learning, to maintaining a "shared space" with the community in this incredible city building, and to ensuring safety and enjoyment for all. We can't do it without your help!

- **Please review the Participant Agreement** that your child signs, so you know what is expected. Help us maintain our mission by ensuring your student follows our requests to the best of his/her ability. Similarly, please help us ensure a productive learning environment by assisting your child, if needed, with preparation for EACH class he or she takes at OSA.
- **Schedules:** It is up to you, as the parent, to keep track of which classes your student is signed up for. Please be sure your student is aware of his/her classes.
- **Communications:** We know you're busy and that email can be a burden. However, every Monday morning an email news update ("**OSA Weekly Update**") is sent out to all families. **Please** read it so you can stay updated on OSA happenings and deadlines, or at least so you will know when we are at the park. ☺ There is also a monthly (or bi-monthly) **newsletter** sent to families, often including more general highlights and pictures for our community.
- **Calling:** OSA doesn't have an office. The best way to reach us is via email, or our **OSA business line (805-214-6889)**. If you don't know your instructor's email, please email Lori@onesparkacademy.com and it will be forwarded. To model mindful learning, we often do not take calls during class time, unless in the event of an emergency. Please be mindful of this if you need to connect with your child. If you must reach us and can't get through, you may try the **Teen Center (805-494-6664)** after around 11:00 AM, when staff members are likely to be there.
- **Safety:** The front doors are often locked during instructional time, until Teen Center staff arrives. If you cannot see anyone inside, please knock, or walk around to the back or side of the building. If we have ALL gone to the park for a special recess, it will be noted in the OSA Weekly Update.
- **Arrival:** Classes begin at 8:30 or 9:00 AM. For your convenience, your student may arrive as early as 8:15 and enjoy the Teen Center under OSA supervision. If for any reason an OSA supervisor is not on site by 8:15, please wait a few minutes. To ensure your child's safety, OSA participants should not wander outside the building alone.
- **Departures:** If students are leaving prior to 2:30, they should wait in the foyer for their transportation if not leaving by their own means. Participants shouldn't use the game room if classes are in session, as this is a distraction to the learning environment.
- **After 2:00:** The Teen Center opens for kids aged 12-17, or 7th-12th graders. However, we ask that our participants still abide by our expectations while on site. **Important:** The Teen Center has requested that younger siblings and parents not play in the game room/gym if there are other teens using the area. Parents are more than welcome to wait in the foyer for their students, but please be mindful of maintaining the space as a "teen friendly" environment.
- **Fridays:** Same start time, but pick up is at **12:30**. There is no Circle or lunch offered on Fridays. **Please do not be late for Friday pick up**, as the center is closed until 2:00 and an OSA staff member will need to wait with your child until you arrive.
- **Absences:** As a courtesy, please let us know (via email, preferably) that your child is missing his/her classes, since we plan with your child in mind. Confidential information should not be texted, just in case our phone screens are visible to others.
- **Senior Center:** Senior adults use the gym each morning from 8:15-11:00. Their gym usage doesn't impede upon our program at all and we enjoy seeing them each morning! ☺
- **Expected behaviors during breaks/tech requests:** As noted in the Participant Agreement, students may play in the game room, socialize, or study during our breaks. We ask that, once on site, students NOT leave the premises until their scheduled departure time without the permission of an OSA staff member. Respectful behavior is always expected while students are on site, or on any OSA-sponsored activity.
- **Personal Technology:** We aim to protect our instructional zone and encourage mindful learning and communications amongst students and staff. Students are asked to "unplug" from personal devices

during our instructional day, and not text or make phone calls without permission of an OSA staff member. **Cell phones must be OFF during class time** and/or kept in a locker. If personal devices are approved for use, it is expected that appropriate choices be made as to what is watched/played and/or viewed. Students who can't abide by this request will be asked to keep their tech AT HOME. Unless it is urgent, **please help by not texting or calling your child during our instructional time** unless they are done with classes or it is prearranged.

- **Circle:** Circle is held M-TH at **10:30** and all participants onsite are asked to join. Circle is an informal but important instructional time for students and adults to practice guided communication, connect with one another, discuss ideas and perspectives, and share appreciations and concerns. If your student is leaving after the first class (10:30) or coming for an 11:00 class, he/she is also welcome to join. There is a short break after Circle and before the 11:00 class.
- **Lunchtime/Food:** Lunch is served from **12:30-12:55**, and then there is a supervised break from **1:00-1:30**. We are seriously committed to the idea that everyone benefits when we as community members eat a **balanced and healthy diet** (with treats in moderation), and we hope your family is too. We are not espousing one way to eat, but most of what we serve includes a variety of healthy choices: fresh vegetables, fruits, and grains. We often make yummy desserts, and sometimes offer meat— both served in moderation. Students should **NOT** have soda, candy, fast food, or processed junk food while on site. Those who don't eat our lunch should bring their own healthy lunch and eat with everyone else. NOTE: If you're coming to drop off or join in during lunch, the front door may be locked. If so, please come around the side to enter. We're usually on the outside patio (looking at the building from the front, it is to the left) or in the gym during inclement weather. Lunch participants are asked to assist with clean up.
- **Snacks:** Please be sure your child has a **healthy snack** for the **10:45 break**, if at OSA all morning. At the very least, be sure he/she has eaten an adequate breakfast. Students who are hungry during morning classes cannot learn well, are often irritable, and complain of hunger— which is problematic for all. OSA doesn't provide snacks before lunch, although on occasion we may put out fruit or nuts, or feed a hungry student (and let you know if it's a frequent occurrence).
- **Lockers:** Students may keep their backpacks and other belongings in a self-selected locker (or two, if one is needed for PE clothes or Food Fascination aprons). A lock is needed if anything is to be kept overnight. All lockers must be cleaned out on the last weekday of attendance, **each week**, as the Center is used for myriad sports activities on weekends. **Many students forget**. Please help us by reminding your child. Be advised that nothing unsafe or unlawful may be kept in a locker, **at any time**, even if just being transported by the student.
- **Water bottles:** These are only necessary if your student is taking PE classes. Otherwise, there is a water fountain conveniently located inside the center.
- **Having a Bad Day?** Hey, bad days happen! If your student is having a bad day and is not in a good "mental space" to learn, and/or is repeatedly distracting others, and/or is disrespecting his/her instructors*, and/or is disregarding the Participant Agreement*, and/or is simply feeling crummy or sick, we will call you to pick up your child. (And then we will welcome your student back the next day, or when feeling healthy.) We are committed to providing a calm, safe, positive and healthy environment for everyone, and simply don't have the resources for students to hang out unsupervised if they are having a difficult day or if they are sick. *Please note that repeated disrespect for others, or disregard of our rules, may lead to dismissal from OSA.
